- Principal welcomed everyone for the first meeting of the National Innovation and start-up policy (NISP) and addressed about the NISP policy guidelines and expected outcomes of NISP.

- It was informed that Dr. Krishnaraj. C, HoD/Mech has been nominated as the NISP Coordinator of our institution.

- The other committee members selected for NISP policy implementation were introduced and welcomed by Dr. Krishnaraj. C and requested them to share their expertise for the successful implementation of NISP.

- The orientation session on adoption of NISP at HEI level held on 27.01.2021 was reviewed.

- During the interaction, the stake holders suggested that the students should be exposed to the start-up and innovation culture right from second year onwards.

- The alumni experts suggested that the labs should be used for product development (Prototype).

- Industry and start-up members suggested that some of the projects carried out by third and final year students of various department should be real time problems offered by the companies which would motivate the students to become future entrepreneurs.

- It was decided that Dr. Krishnaraj . C would work in developing the policy for the innovation and Incubation as per the guidelines issued by NISP

- Dr. Arvind. C will plan the sessions by established incubators and Startup founders for sensitization of the students.

- Inputs were given for preparation of KCE Institute Innovation and Startup Policy 2020 (KCE-IISP-2020) and principal asked NISP coordinator to identify the thrust areas for inventions.

- Principal thanked everyone and the meeting came to end by 3.45 P.M.
